

Learning Protainer Enablers

Here

- **Larger intention** 'what's good, true, beautiful.'
- **Respecting** generative silence.
- **Speaking** from the heart / from experience.
 - **Sharing** data/examples when useful.
- **Listening** generously, monitoring our own reactivity.
- **Participating constructively**- frameworks suggested.
- **Sharing** "airtime." Brevity!
- **Remaining whole**: reflection & **action**;
 - **experience** & good ideas

Beyond

- **Honoring** Confidences
- **Following up** to keep our space "clear."
 - **Timely** feedback welcome.

**safe spaces for learning
are not always
comfortable**
