

AR+ TUBS: Application for AR+ Top Up Bucks

Please fill Q1-4 below and return to admin@actionresearchplus.com

As we are a “by donation” NGO, we do our best to be inclusive. Use this form to apply for a sponsorship/scholarship, i.e., T.U.B.S meaning to “top up bucks” if you’re unable to pay the suggested donation.

Know that we want to be *very careful* to treat all participants equitably and avoid *any* perception that some are “more equal than others.” Because you’re requesting AR+ Top Up Bucks, we ask, in return, what additional ‘in-kind’ resources you will offer to the collective space in lieu of cash. We’d like this to be a “win-win,” we’ll treat it as an honor system. We want it to be simple for all involved!

1. **Translate** the top-up amount you need into a number of hours at the rate of USD \$50/hour.

Q1) I commit to donating _____ number of hours in lieu of cash.

2. **Consider** 1-3 *concrete* suggestions for your time donation, deliverable within 9 months. The following are examples of previous donations. We encourage your creativity! E.g.,

- I will make a short video that explains an ART concept in my life/work (3 hours)
- I will complete (and write up) an interview with an ARTist for publication on AR+ (5 hours)
- I will facilitate behind the scenes programming for AR+ e.g., at online retreat (3 hours)
- I will build a bridge between AR+ and a like-spirited community/leader (4 hours)
- I will write a blog for AR+ based on my experience in the AR+ learning ecosystem (2 hours)
- I will help you improve (your already awesome!) “Top Up Bucks” process (2 hours)

Q2) I commit to delivering the following to AR+

Add brief clarifying details on the following sheet so we know what to expect. As you may understand we do not wish *your* donation to add to *our* workload.

As this kind of creative process can also lead to misunderstandings please *be as clear & concrete as possible*. The promised work should normally be completed within *9 months from finalization of your application*. Only a countersigned document signals our agreement. We’ll keep a copy in the AR+ files.

Q3) Your name and email:

Q4) For participation with: (e.g., title of coLAB) _____

AR+ counter signature/date: _____

Details of deliverables (this portion may be finalized with AR+ input):

_____ To be annotated *after* completion _____

TUBS project was successfully delivered on: _____
